The Honorable James J. Rowley
Chief, United States Secret Service
Treasury Department
Washington 25, D. C.

Dear Jim:

I particularly appreciate your letter of July 11, concerning the cooperation of four of our security aides in assisting your advance agents with the President's recent trip, and I'm passing your letter on to my Security Director, Bob Bannerman, for the record.

Through this type of cooperation, I am also confident we can produce significant results. Should anything occur to you which will enhance this cooperation in the future, please do not hesitate to call it to my attention.

Faithfully yours,

Marshall S. Carter
Lieutenant General, USA
